Bidvest Assist – South Africa

Bidvest Van and Truck Rental is a division of Bidvest Car Rental has appointed Europ Assist South Africa to facilitate emergency medical, rescue and roadside assistance services to all members who hire their vehicles at Bidvest Car Rental.

At Bidvest we believe our members need more than just car rental. We are talking about service that gives you more than what's expected.

This is why our client can access to a bundle of benefits that offers real value to you and your family.

A 24-hour help-line that provides valuable peace of mind, seven days a week, across a wide range of situations.

You can enjoy access to value-added services, including Roadside Assistance, Trip Monitor, Direction Assist and Personal Health Advisor and Crisis Line.

Simply call 0800 115 767 for 24-hour emergency information, resources and support.

ROADSIDE ASSISTANCE

In the event of a roadside emergency anywhere in South Africa you can access a 24-hour call centre to dispatch the appropriate services to help get you back on the road with your BCR rental vehicle.

Benefits:

Mechanical and electrical breakdown

- Includes various towing services to the nearest place of repair or safekeeping
- An additional tow for vehicle broken down on the side of the road and the place of repair not being opened
- Towing can be arranged following a collision on a renter-to-pay basis

Jump-start service

- Limited to reasonable services to mobilise the vehicle, but excludes the cost of any necessary parts or provisions
- Includes towing services for our vehicle when the jump start was unsuccessful

Tyre change service

- Changing a flat tyre can be arranged at both roadside and non-roadside locations
- Any costs for any necessary tyre repair or towing are on a renter-to-pay basis

Running out of fuel

- 10 litres of fuel can be supplied at roadside locations only - a maximum 2 incidents per annum per renter

Keys locked in vehicle

- Service includes the cost of a call-out fee and one hour's labour
- Any additional costs incurred are on a renter-to-pay basis – this includes towing, if necessary
- Assistance can also be provided for a broken key in the ignition/door call-out fee and one hour's labour
- Vehicles operating with a 'smart key' may be towed, to a maximum cost of R500
